

Washington Brant Foundation Decoy Carving Contest Rules and Details

Contest will be held on **May 14, 2022** at:
Maiben Park
1011 Greenleaf Avenue
Burlington, WA 98233

Working Class Decoy Rules

1. Decoys must be of a species common to North America.
2. Decoys may be made of wood, cork, or stretched canvas, unless otherwise specified.
3. Bills, tails, and other “vulnerable” areas must be durable and can be reinforced.
4. Ballast weights, keels, and tie-on devices are part of the decoy and will be judged as such.
5. All markings identifying the carver will be covered.
6. Any decoy that splits, checks, or has paint deterioration prior to completion of the judging will be disqualified.
7. Decoys must self-right.
8. Decoys require an anchor line attachment.
9. All entries will be pre-judged by the show chairman to confirm compliance to rules prior to floating.
10. Simple paint and sculpture with good field markings preferred.
11. Can have raised primary feathers but must be supported no under cutting.
12. Bills can be detailed without restriction or no restriction.

JUDGING CRITERIA

Craftsmanship - Relates to the technical skills involved in the carving. Are all glue lines blended in? Are eyes seated properly?

Serviceability - Will this entry work? Will it require special handling in a decoy bag or boat? Is it durable?

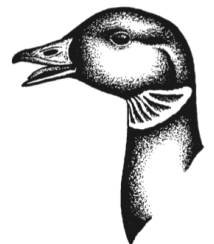

Accuracy - Are the feather patterns in the correct shape and color? Are the eyes in the proper position and alignment?

Projection - Will the entry display the species in low light conditions (dawn/dusk)? You can't see detail; does the silhouette identify?

Overall Presentation - This category encompasses all of the displayed and will be in the water.

All judging decisions are final.
